

HAND-DRAWN SKETCH REFERENCE

MY THOUGHT PROCESS

① Understand the problem

- Read the task carefully
- Identify key requirement
- Break into smaller parts

② Initial AI response

- Asked AI for ideas
- Compared multiple output
- Checked logic and facts

③ Control AI hallucination

- Verified facts manually
- Cross-checked with guidelines
- Remove unsupported claims

④ Where I disagree with AI

- AI gave generic answers
- I rewrite unclear sections
- Added my own reasoning

⑤ Negative Prompting

- Avoid fake facts
- Avoid extra assumptions
- Avoid overconfident tone

⑥ Alignment with guidelines

- Followed instructions strictly
- Kept answer concise
- Matched required format
