

PART A – Target Companies Research Assignment

Chosen City: Hyderabad

Chosen Segments: Specialty Biotech + Custom Synthesis & Specialty Chemicals

Why Hyderabad?

Hyderabad is a major biotech and specialty manufacturing hub with strong vaccine, CDMO, diagnostics, and specialty chemical ecosystems. Genome Valley and industrial clusters support both R&D and manufacturing operations.

25 Target Companies

S.No	Company	Segment	Why Hyderabad Counts	Fit Assessment
1	Bharat Biotech	Vaccines & biotech manufacturing	Hyderabad HQ + Genome Valley manufacturing	Strong biotech manufacturing fit
2	Biological E	Vaccines & biologics	Major Hyderabad manufacturing operations	Specialty biologics manufacturer
3	Indian Immunologicals	Veterinary vaccines & biologics	Hyderabad-based R&D and production	Animal health biologics
4	Laurus Labs	Custom synthesis, APIs, specialty chemicals	Hyderabad leadership + Telangana operations	CDMO and specialty chemistry
5	Virchow Biotech	Biotech & injectables	Hyderabad manufacturing presence	Complex biologics and injectables
6	Aurobindo Pharma	Specialty formulations & APIs	Strong Hyderabad manufacturing ecosystem	Large regulated pharma player

7	Hetero Labs	APIs & specialty pharma	Core operations in Hyderabad	Strong manufacturing capability
8	Sai Life Sciences	Custom synthesis & CDMO	Hyderabad R&D and manufacturing	Excellent specialty chemistry fit
9	Aragen Life Sciences	CRDMO & discovery chemistry	Hyderabad-based operations	Custom synthesis and discovery services
10	Gland Pharma	Sterile injectables	Hyderabad manufacturing	Complex injectable manufacturing
11	Shantha Biotechnics	Biopharma & vaccines	Hyderabad operations	Historic biotech company
12	Granules India	Specialty formulations & APIs	Hyderabad manufacturing footprint	Regulated pharma manufacturing
13	SMS Pharmaceuticals	API intermediates & specialty chemicals	Hyderabad-based manufacturing	Strong chemistry manufacturing
14	Natco Pharma	Oncology & specialty pharma	Hyderabad headquarters and operations	Complex pharma products
15	Aizant Drug Research Solutions	CDMO & formulation development	Hyderabad operations	Specialty development/manufacturing
16	GVK BIO	Contract research & manufacturing	Hyderabad R&D center	Life sciences manufacturing support
17	Porus Labs	Specialty chemicals & APIs	Hyderabad manufacturing	Specialty chemistry focus

18	Porus Biosciences	Green chemicals & nutraceutical biotech	Genome Valley, Hyderabad	Emerging specialty biotech
19	Amspro Biotech	Probiotics & enzymes	Hyderabad manufacturing unit	Specialty biotech
20	Genica Biosciences	Diagnostic kits & recombinant proteins	Hyderabad biotech setup	Life-science tools and diagnostics
21	Arrkem Life Sciences	Custom synthesis & specialty chemicals	Hyderabad manufacturing	Good specialty manufacturing fit
22	Jet Life Sciences	Fine chemicals & custom synthesis	Hyderabad manufacturing office	Specialty chemicals
23	SVAK Life Sciences	API impurities & fine chemicals	Hyderabad operations	Specialized chemical manufacturing
24	Srini Chem	Custom synthesis & oncology intermediates	Hyderabad labs and manufacturing	Niche specialty chemicals
25	BNB Lifesciences	API impurities & intermediates	Hyderabad industrial area	Research-driven specialty chemistry

Conclusion

The selected companies are suitable target companies for research under specialty biotech and specialty chemicals because they have operational presence in Hyderabad and work in high-value manufacturing areas.
